Publications

- 2013 Have Phone, Will Paint
- 2013 Portraits of Singapore
- 2012 Crossroads

Zhu Hong immigrated to Singapore in 1997, where he practiced as an architect and interior designer before becoming a full-time artist. His knowledge and passion for architecture is evident in his watercolours of cosmopolitan life. Zhu Hong captures the spirit of buildings, of the city and suburbs, with energetic calligraphic brushstrokes. He also utilizes dynamic lines and angles that playfully distorts architectural elements, which along with vibrant colours reflects the lively atmosphere of Singapore.
