

Ko Injae

She is the artist who expresses the ideal space in her pieces. She tries to narrate stories of the ideal world where people seek and desperate from the reality. Dreaming of the special place like utopia, she hopes that we can overcome despite of any difficulties and hardship through her pieces which implies as vibrant colors, birds, and forest. The artist represents the space 'forest' is a symbol for modern people can relax and heal the emotional balance in ideal space. Moreover, 'animal' can be reflect ourselves and purify dried emotion of modern people on the canvas. Artist Ko actively works for her exhibition with Art Museum, Art Center, and gallery in Korea. She is one of emerging artists who did collaboration with media and company. Gallery Aile keep represent and promote her works in overseas art field.
