

# KUBRICK ArtPick

## Artist Profile

Silvia Chan Graduated from the Department of Fine Arts of RMIT University (2008). Master of education in visual art in Hong Kong IED(2011). She has over ten years working experiences in Art education and also she is working in a special need school. She actively participates in art exhibitions, art educations and art projects; she believes Art is about our life and our nature. Her works are integrated with nature power and full of spirituality, purity and abstract expression. Also, her works are ranged from drawing, painting, and mixed media to Installation, bringing Mother Nature and her ideas as an artist to a united front.
