

# ARTIST BIOGRAPHY

## ROSA LIN

**Rosa Lin** is an expressionist artist, working in oils and acrylics. She studied Film and Video and graduated from Hong Kong Baptist University and has continued a career in marketing and business for the past twenty two years. Her works and training incorporate a balance between art and science. Since 2012, Rosa has worked on a series of expressionist paintings reflecting life, emotions and memories. She has imbued the paintings with reflections of the emotions and experiences of individuals and every painting tells a story. She is currently pursuing her studies in Master of Expressive Art Therapy at University of Hong Kong.
