

LEUNG Hing-ling, Lisa (Hong Kong)

With a touch of a young lady's love and affection, Lisa's works look emotional and cheerful. When she is in high spirits, her favorite colors are those as bright and rich as a rainbow. Her works have been exhibited in an overseas exhibition 'Bridging Hong Kong and Los Angeles Through Art 2014' and an international exhibition 'Asia Contemporary Art Show 2015'.

Lisa enjoys life very much. She enjoys working with ceramics over four years. She keeps on telling things that she knows on those topics she is interested in. This feature is linked to her ceramic works show her personality, delightful, enthusiastic and strong, so that her work is impressed by the feeling of positive energy and relaxation.
