

CEET Fouad

Born in Toulouse, France, in 1971

Currently lives and works in Shenzhen, China

Artist's Biography

World-renowned graffiti artist CEET is originated from the art scene of Toulouse, a town in the south of France. Born in Algeria on the border to Morocco, CEET has been transforming letters and colors from his early childhood years. Creating new designs and his colourful world of art, CEET shakes up the way we think and look at design with his unique visions.

Always in search of perfection, CEET experiments his talents in various mediums, from murals to canvases, as well as creating his own streetwear brand, El Camion. CEET is also constantly traveling and showing his works around the world, and has collaborated with prestigious brands like Prada, Ecko Unltd, Adidas, etc.
