

Artwork _ Kwon, Bok Hee

“Baby’s breath(Gypsophlia)” is a work if art by expressed symbolic meaning that gives me happiness.

The universe energy like pure mind and deep love is my happy message, and it shows great love of parents.

Formative image of work is brighten up a new world by balancing of yin and yang.

Colors of my work are based on pastel tone, it means joy and happiness like a moonlight.

Image of circle in my work is the eternal cycle of life that human relations with meeting by chance and

destiny: I take a look at myself and dream about new bright world of future.
