

ARTIST DINH NGOC THANG

Dinh Ngoc Thang was born in 1974 in Thanh Hoa province, northern of Vietnam. He has a hard childhood in rural countryside. For that reason, it has given him rich feeling about the beauty of the landscape as well as the people of Vietnam, especially the lives of the workers. With his passion for art, he studied painting himself and attended the Hochiminh City University of Fine Arts in 1997. He also learned from the masters and practiced through his job. Dinh Ngoc Thang's works on the subject of labor and landscape are loved and collected by many domestic and foreign collectors. Since 2008, he has participated in many exhibitions in Vietnam, China, Japan, Holland... Especialy, he has participated in many charity auction events to help children such as "Operation Smile", "Art for Heart"... The impression is "Art for Heart 2015", his works "Ban Mai" was the highest bid for 50,000 USD to help 50 heart surgery ...
