

# Asian Art De Vivre – Hong Kong

---

Asian Art De Vivre is committed to exhibiting and promoting European and Asian Contemporary Art. Through exhibitions, gallery shows, or publication of exhibition catalogues, we wish to encourage the inter-cultural dialogue and exchange between the East and the West.

We currently support some leading Vietnamese Contemporary artists.

We also offer to collectors works from Vietnamese artists graduated from The College of Fine Arts of Indochina founded in 1925 and from artists who belong to the generation who followed their steps.

The artists we represent exemplify the cutting edge of the Contemporary Art of the two different continents. Even employing similar media and techniques, their expression remains different.

Our artists are carefully selected for their uniqueness of vision that we foster through close and supportive relationships.
