

## Gallery Profile

---

Gallery Seek was founded in 2009 as a primary branch office of Seiko-gallery established in 1972. Since we opened our own gallery in Kyobashi in 2012, we participated in many famous art events, Art Fair for instance. In addition, we held many exhibitions in our gallery and in department-stores. We are trying to introduce the wonderful artworks, which are not temporary ones but permanent ones. We are looking forward to your visit to our gallery in Japan.
