

## **GALERIE GAIA**

Galerie GAIA opened in 2002 in Insa-dong which is the central culture area in Seoul. It has two-stories showing space and provides various exhibitions focusing on contemporary painting, sculpture, and photograph by potential young artists as well as well-established artists. In addition, in an effort of promotion for those art works in the global art market, it has continuously participated in the various international art fairs in Seoul, New York, Miami, Los Angeles, London, Hong Kong, Singapore, Basel, Toronto, Huston, Beijing, Shanghai etc.

Based on all those kinds of effort and devotion, Galerie GAIA has become one of the most active and qualified galleries in Korea.
