

**Li Ying Gallery** is based on Lingnan and embraces contemporary art. Since its foundation in 2012, hundreds of events have been successfully held on art exhibitions, salons, public education, brand activities, art planning and collection consultancy. While actively participating in local production and construction of Chinese contemporary art, Li Ying Gallery devotes to promoting the development and cultural communications of contemporary lacquer art worldwide. With open attitude, creative vision and high-quality exhibition and art consultancy services, we aims to build a most professional institution in the world of contemporary art.
