

The most fashionable contemporary gallery in Shanghai--Nancy's Gallery is located in Tianzifang, established by Ms. Nancy Lee in 2006. Nancy's Gallery provides not only a good stage to artists, but also is a pleasant salon to art connoisseurs.

Nancy's Gallery presents contemporary artworks including paintings and sculptures from more than 30 outstanding local and foreign artists, including Du Haijun, Liao Yang, You Yang, Ran Qiquan, Yu Nancheng, Li Yueling, Jean Dolande, Rodica Iliesco, Christian Shoeler and so on. We used to hold many exhibitions at The Gallery in Shangri-la Hotel, Lujiazui, Shanghai. We have also organized many co-exhibitions and activities at Xintiandi, Shanghai for a few years. In addition, we have actively participated in international exhibitions around the world, such as LA Art Show, Singapore Contemporary Art Show, Asia Contemporary Art Show in Hong Kong, Shanghai Art Fair and so on.
